

NetTeller Password Reset Tips

Locked out and HAVE previously set your password reset question under the Options tab

Because the security of your online accounts is important to us, NetTeller automatically locks your account after THREE (3) unsuccessful login attempts.

If you are locked out of NetTeller and have previously set your password reset question (under the Options tab) you may reset your own password at any time by clicking [Reset your password](#).

This screenshot shows an email client interface. The subject line of an incoming email is "fbtmag@myfbtbank.com". The body of the email contains instructions for password recovery. A yellow box at the top right of the email body contains the text "You will receive this email containing the link to retrieve your new password." Three numbered steps are overlaid on the email:

1. The sender will be fbtmag@myfbtbank.com.
2. The subject will be the one you selected in the previous step.
3. Be sure to [click here](#) within 2 hours.

The email body also includes a note about the validity of the link and a disclaimer about the handling of sensitive information.

When you correctly enter your ID and the answer to your secret question, the system will prompt you to:

Passwords expire every 90 days. Our system will alert you via email 30 days prior to the expiration of your password. To choose a new password:
